

# ONE DAY FDP TO ENHANCE RESEARCH & PUBLICATION

## 20<sup>th</sup> November, 2018

**About FDP:** Conceptual framework is understood to be the foundation for entire process of research study, we bring expert guidance towards doing the same through this FDP. In addition to doing research its publication is the final destination which enables to share research and add to the existing body of knowledge. This FDP focuses towards understanding and identifying the right steps towards publication in high rated journals.
