ALUMNI MEET
SMARYA

2022

The alumni meet, Smarya 2022, took place on December 17, 2022, at Hotel Manohar at 6 p.m. in Begumpet. Alumni 2022 has been an opportunity to reconnect with old friends, make new ones, and relive the memories spent together.

The great legacy that VVISM has created over the years has enabled Vishwa Vishwani's alumni to achieve great heights in their careers, and it is a matter of great pride for the institution to see such accomplishments. A few selects from the Wall of Fame of Smarya 2022 were honoured and remembered for their excellence, hard work, and dedication. The entire management was proud to see the alumni's great service in various sectors all around the world.

And the entire gathering paid tribute to the alumni who passed away in the pandemic and praised their contributions to their respective professions. The hall went silent in their remembrance, showing their immense respect for them.

Alumni board members were elected out of the past decade's alumni of the PGDM and honoured with titles and mementos.

The students of PGDM 2023 organised and entertained the crowd with many cultural acts and performances under the guidance of Alumni Head Dr. Ritu Kothiwal and the other faculty.

The event was closed at 10:00 p.m., leaving smiles and a sense of nostalgia on the alumni's faces.

You are cordially invited to

VISHWA SPARDHA 2023

Vishwa Spardha 2023 was an energetic and spirit-boosting event; the competitions were held for 3 days, i.e., from March 2nd to March 4th, 2023. Various indoor and outdoor games were conducted, such as chess, carrom, table tennis, badminton, tug of war, volley ball, and India's most popular sport, cricket.

Outdoor Games: Cricket/Volleyball/Tug of War/Badminton

Indoor Games: Carroms/Chess/Table Tennis

Day 1: Table Tennis (Single)/Cricket/Tug of War/Carroms

Day 2: Cricket/Badminton Boys and Girls (Double)/Volley Ball/Chess, Table Tennis (Single)/Tug of War/Carroms (semi-finals followed by finals).

Day 3: Cricket/Badminton Boys and Girls (Double)/Volleyball/Chess (Semi-Finals followed by Finals)

The finals of volley ball depicted the true management skill that students practise by showcasing their flawless teamwork and coordination, which resulted in the win for the senior volleyball team.

The heated tug of war truly gave off war vibes with the intensity of the two teams and proved that unity is strength; it was an eye feast for the audience.

The most anticipated sport cricket is won by Jr. PGDM – 2024, with outstanding score.

1

AN AFTERNOON WITH ALUMNI

An Afternoon with Alumni session on 18th March, 2023 was arranged by VVISM PGDM Alumni Office To connect with the batch of 2024 Juniors. The alumni included Mr. Gyan Prakash (2008–2010 batch) who is currently employed with NCL Buildtek Ltd. as the territory manager in Hyderabad, Mr. Allen Mathew (2019–2021 batch) Risk Compliance Associate at PWC, and Mr. Abhiram Patro (2015–17 batch), in Hedge Fund Process at Northern Bank in Bangalore.

The alumni provided a road map for life as well as tips for job interviews in addition to their own experiences from their two years of college. They even discussed the opportunities and challenges they had in their field of work.

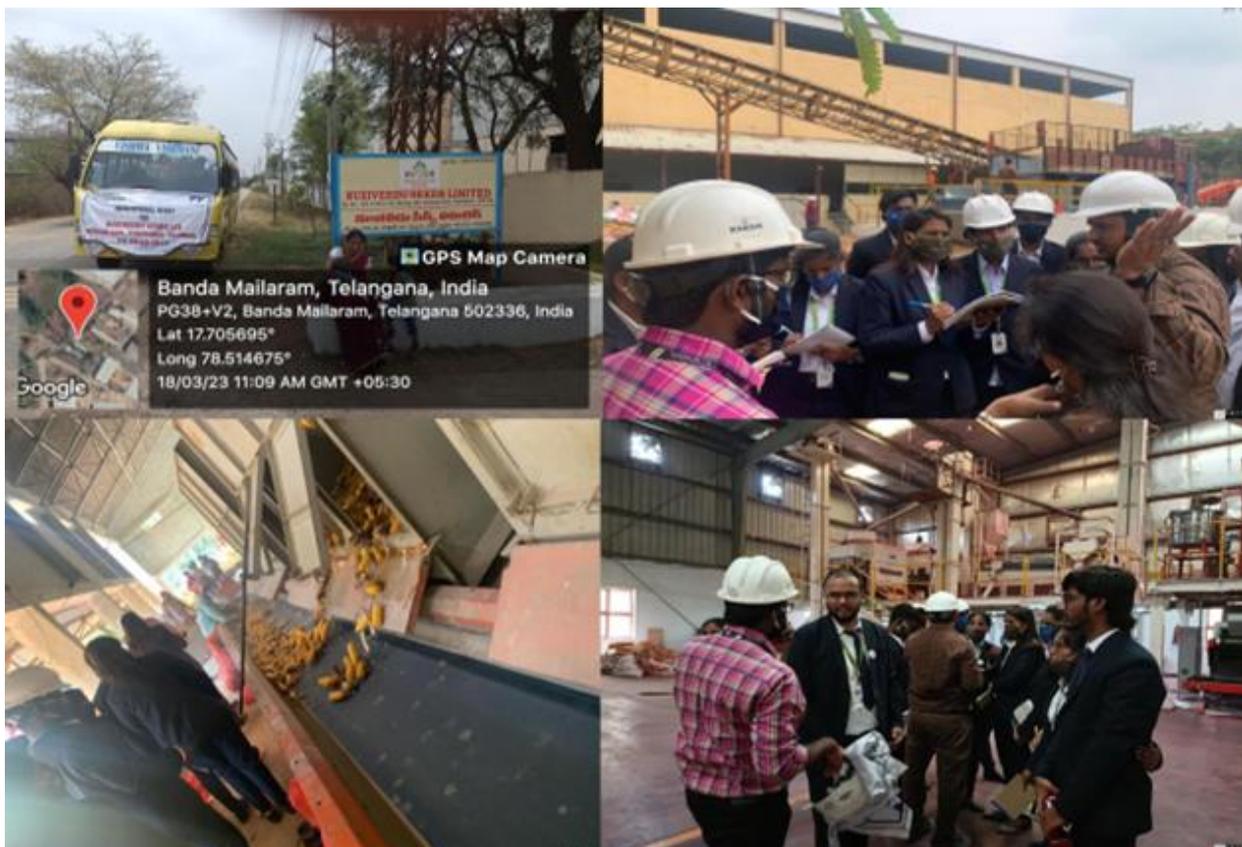

INDUSTRIAL VISIT

NUZIVEEDU SEEDS LIMITED

The VVISM PGDM Department of Agriculture Business Management on 18th March 2023, Saturday organized the industrial visit to Nuziveedu Seeds Limited Kothur unit, Hyderabad, Telangana. The second year agricultural and supply chain management PGDM Batch 2023 students were driven there. The students learned about how different management theories are used in business. Mr. Dhanraj, the HR Head, spoke to the class and gave them important details about the unit. The students conversed with Mr. Trupati Raj. The students conversed with and collected many inputs.

Prof. Gopi Naik and Prof. Pushpalatha, two faculty members, accompanied the students on this excursion. While there, the students had the chance to speak with higher-ups from the unit and learn more about how cold storage, the shop floor level of the processing unit, and seed germination operate.

2
